GIVING BACK TO THE ELK GROVE COMMUNITY

**We Create Community Through People, Parks & Programs**

## Invest in your Community. Here's how you can help.

The Elk Grove Community Services District offers a unique and creative opportunity for you to invest in your community. The Gifts for Tomorrow program was established to encourage individuals, businesses and community organizations to help provide financial assistance for needed programs. A donation to the Gifts for Tomorrow program could provide a variety of items that would enhance our parks, community events, facilities, recreation programs, individuals, families and fire education and safety programs. Donations may include park benches and trees or funding for a neighborhood program at a local park site. You can select which program you wish to sponsor. Your gift is an investment that will benefit the Elk Grove Community.

All donors will receive a certificate of appreciation and public acknowledgment. Each contribution, regardless of size, is important and greatly appreciated.

These gifts today will become the treasures of tomorrow. Give a gift that will last a lifetime, and help support our parks and recreation system. Become a partner and support Gifts for Tomorrow!

Appreciatively,
